On the driving range our host professional Brian McDonald, a class A member of the PGA of Canada since 1987 is always willing to give customers a complimentary tip. An Indiana University graduate, Mr. McDonald is a former Quebec Amateur champion, a nine time winner of PGA of Canada zone tournaments, a past PGA professional of the year in the Quebec zone and he has taught with the Golf Digest School among others. With six target greens to test your accuracy, top quality high compression balls, your choice of hitting for Tartan GT turf for natu-
