Directors & Officers Liability Insurance

Many Chamber of Commerce/ Boards of Trade in Ontario have found it difficult to find Directors and Officers (D&O) Liability Insurance at a reasonable price, and sometimes coverage at any price has been unavailable. Through the Ontario Chamber of Commerce (OCC), Edwards Insurance Group put together a program of D&O Insurance exclusively for member Chambers/ Boards that were members of the OCC. Chambers/Boards can work through Edwards or their local broker for either D&O alone or both D&O and Property/Liability insurance. Currently, D&O pricing begins at \$500 for the smallest Chamber/ Board requiring a \$1,000,000 limit.

EVERYTHING YOU NEED FOR YOUR BUSY OFFICE.

Group Insurance

The Chambers of Commerce Group Insurance Plan was developed with firms in mind, from sole proprietorship to firms up to 35 employees. The program includes coverage traditionally reserved for the largest employers. That's why we say the Chambers Plan is "**At work for small business**". The Chambers Plan is a valuable membership benefit that can help you build your Chamber's membership base. For your Chamber or Board, the Plan means administration fee income that can help to channel more resources back into member services. Contact Doucett Insurance 613-253-2410 or www.doucetteinsurance.ca for a free quote today.
